

**Want to learn more about how to live better with your diabetes, improve your outcomes and spend longer with your Doctor/Nurse and Healthcare Team?**

## **INSERT PRACTICE NAME - Diabetes Group Consultations Appointments**

Currently if you need a diabetes review in **INSERT** you may have to wait a long time, or get an appointment time that doesn't work for you. Patient engagement and satisfaction is important to us and we want to improve YOUR experience of care.

In response to this we are delighted to announce that we will be delivering Group Consultations for follow up appointments and reviews. This will mean that you will be able to access your healthcare team quicker and get to spend longer with your healthcare team

**97% of people who attend Group Consultations like them and tell us they:**

- Gain more confidence to manage their diabetes and feel more informed about making decisions
- Learn lots from other people living with diabetes who understand their challenges
- Like getting their diabetes results before seeing the clinician as it gives them more time to think about the questions' they may want to ask

**We know that Group Consultations improve health outcomes and experience of care for people and look forward to seeing you at your next Group Consultation appointment.**
